

**Express Payment Without Logging In** is a fast and secure way to extend your subscription in just a few steps directly within the app, without requiring any additional authorization.

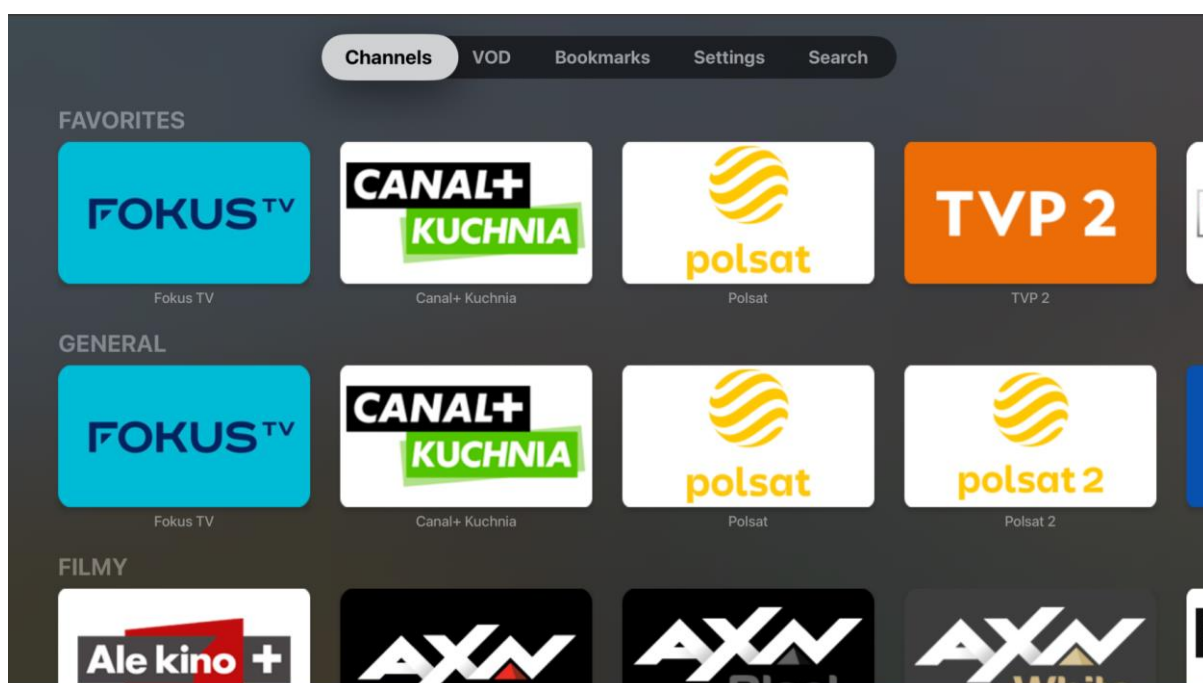

### Technical Requirements

- Apple TV with the PolBox.TV app installed and updated to the latest version.
- Active internet connection.
- A smartphone or other device to scan QR codes.

### How to make Express Payment Without Logging In on AppleTV

**Step 1.** Log in to the PolBox.TV app on your Apple TV. If you are already logged in, you can skip this step.

**Step 2:** Go to **Settings** and press **OK**.

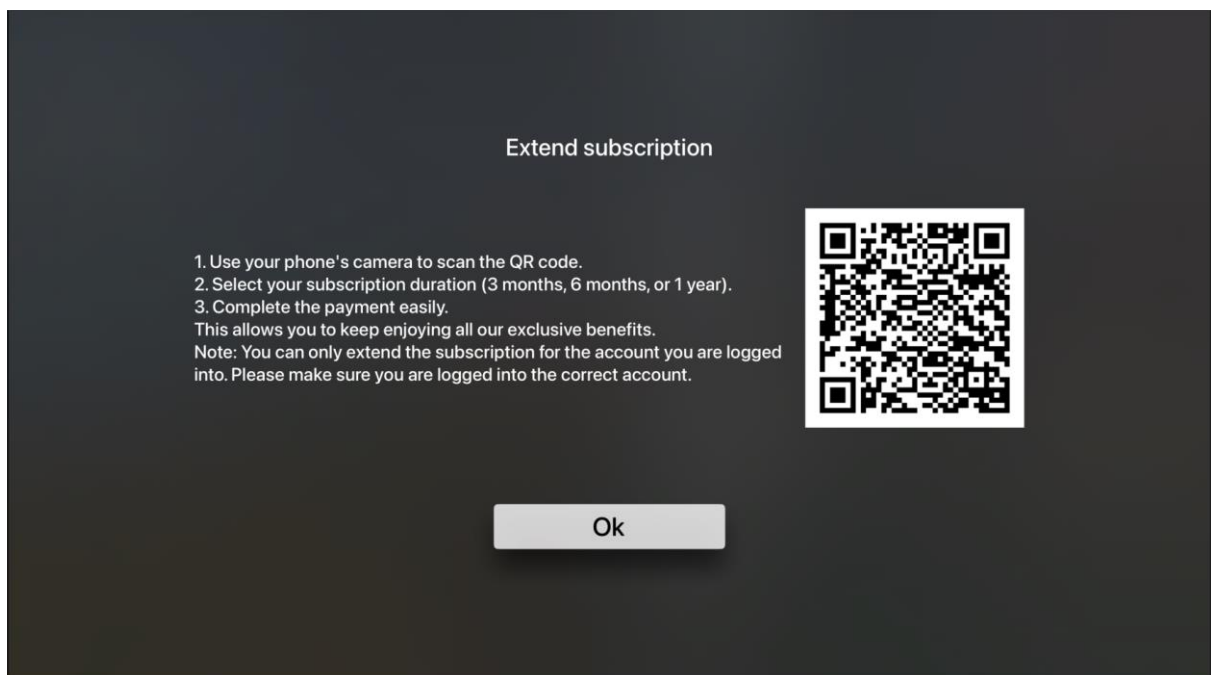

**Step 3.** Tap **Extend** and press **OK**.

**Note:** If clicking the Extend button doesn't work or an error message appears, try reauthorizing in the app and then try again.

**Step 4.** Use your smartphone to scan the QR code and tap the scanned link to proceed.

**Note:** Make sure your device is connected to the internet to complete the payment process.

**Step 5:** Make sure the subscription details are correct, select the subscription extension duration and tap **Extend**.

### Option „Extend subscription“

The „Extend subscription“ option lets you extend your current PolBox.TV subscription for a selected number of months. You only pay for the selected number of months appropriate to the price of your package. Enter your subscription number and select the number of months.
