Express Payment Without Logging In is a fast and secure way to extend your subscription in just a few steps directly within the app, without requiring any additional authorization.

Technical Requirements

• An iOS device with the PolBox.TV app installed and updated to the latest version.

• An active internet connection.

How to make Express Payment Without Logging In on iOS Legacy

Step 1. Log in to the PolBox.TV app. If you are already logged in, you can skip this step.

Step 2. Go to **Menu** by tapping the button in the top left corner.

Step 4. Tap the Extend button if available.

If your package is close to expiring (in less than five days), a notification about the extension option may appear on the screen. Tap **Extend** and follow the payment instructions

Note: Make sure your device is connected to the internet to finish the payment process.

Step 5: Choose the duration for the subscription extension and tap Extend.

Step 6: Select the payment method.
